

VOLT® Low Voltage Landscape Lighting Florentine Deck Light - VDL-6008-4-BBZ

Product Description

The VOLT® Florentine Deck Light manages to pull off the difficult task of delivering ornamental beauty while maintaining professional grade quality and durability. The leaf design of the VOLT® Florentine Deck Light perfectly compliments our other floral inspired products. This is the ideal fixture for projects that require a deck light in that it can be admired equally during the day or night. A unique feature of the VOLT® Florentine Deck Light is the ability to attach decorative arms to the fixture to further improve its aesthetics and prominence. The decorative arms can be placed above and/or below the fixture to best suit the project at hand. Furthermore, VOLT® created the arms in a way that allows for the linking of multiple arms, giving you a greater variety of design options. This fixture is compatible with most halogen and LED BiPin bulbs. It is made of solid cast-brass and commercial grade components, so this fixture is sure to last. We back this claim up by including VOLT's Lifetime Warranty on this fixture.
