# VOLT® Low Voltage Landscape Lighting

## VOLT® 12V Estate Size Sedona Path & Area Light

### Product Description

This Estate Size Path & Area Light is a high-quality outdoor lighting fixture that projects an extra-wide circle of uniform illumination. The 11" diameter estate size hat is a distinctive feature that makes a bold statement in the landscape. This is a fixture that fits best in a more expansive setting along with estate-sized architecture.

### Features & Benefits

- Solid brass, extra large estate sized stem
- Pre-aged finish; a natural patina
- Stem is 1.4-inches thick and includes extra-long (1-inch) strip resistant threading for greater stability.
- Larger stake for more stability with these larger fixtures.
- Beryllium copper socket - more corrosion resistant than copper.
- Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem.
- Machine threaded body screws tight onto an O-ring for a moisture tight design.
